Regional Coordination and 5310  
Planning “Bridging the Gap”

## 5310 Relationship to the Regional Plan

Eligible Projects must come from “strategies, activities, or projects” in the plan.

What does that look like?

## 5310 Relationship to the Regional Plan

**Strategies** are how the plan's goals will be achieved.

- *Expand Transit Service to the Entire Region to cover the Public Transit Gap*

## 5310 Relationship to the Regional Plan

**Activities** are the action elements of each strategy

- *Adjust transit service operation schedules*
- *Adjust geographic coverage*

## 5310 Relationship to the Regional Plan

**Projects** identify specific “things to do” in each activity

- *Purchase additional vehicles*
- *Hire a mobility manager*
- *Upgrade communications and dispatch technology (to improve coordination of services)*

## Prioritization of Projects

- Stakeholders input
- Participating agency capacity
- Funding estimates
