

CENTRAL TEXAS RURAL TRANSIT DISTRICT

ROLLING PLAINS MANAGEMENT CORPORATION

The Central Texas Rural Transit District (CTRTD) is a rural transit district that Texas Transportation Code Chapter 458 authorizes, and therefore receives state funding for rural transit services. City and Rural Rides (CARR), CTRTD's public transit program, serves rural areas of Taylor County and all of Brown, Callahan, Coleman, Comanche, Eastland, Erath, Nolan, Runnels, Shackelford, and Stephens Counties. The Abilene urbanized area falls entirely into Taylor County and is served by CityLink, which the City of Abilene operates.

CARR operates demand-response service for the general public in its service area. In addition, CARR delivers human service and other needed transportation service under contracts with the brokers of the Medical Transportation Program, Howard Payne University, Tarleton State University, and other agencies such as senior centers and workforce centers. Three private intercity bus companies—Concho Coaches, Echo Coach Lines, and Kerrville Bus Company—operate lines within the CARR service area. CARR can provide connections to the services.

The administrative and operations center of CARR is located in Coleman. The governing body of CARR is an 11-member board of directors. Each member (either the county judge or a designated representative) represents one of the 11 counties in CARR's service area.
